

Join Me as I Play

“I’m not just playing – I’m learning”

**THE POWER OF PLAY
FOR CHILDREN,
FAMILIES AND
EARLY EDUCATORS**

Division of Child Care and
Early Childhood Education

Come Play With Me

- Let's play with things that encourage me to use my imagination
- Let's sing and dance
- Let's read a story
- Let's play games
- Let's cook
- Let's go places

Come play with me... Let's make wonderful memories together.

As We Play Together

- I am learning the skills I need for reading, writing and communicating with others
- I am learning mathematical concepts
- I am learning about science and nature
- I am learning about my community and the work people do
- I am learning to think and solve problems
- I am learning to use my imagination and be creative
- I am learning to keep myself safe and healthy
- I am learning to use my large and small muscles
- I am learning that I am a capable and competent person

As we play together I am having fun while I learn.
